# Educational Context of Western Grammar School

## Our Motto / Slogan

Knowledge is the ultimate Solution.

## Mission Statement

We stand committed in our endeavour to provide individualized academic focus and opportunities for creative expression of our students at all levels of development.

## Our Educational Theme

**Solidarity**

**Self Esteem**

**Success**

## Our Vision

Our vision is to provide a well-rounded education suited to cultural and historical framework of the current living environment in Australia. We hope to empower and equip the future generations to meet the challenges of today's evolving and highly competitive world. Western Grammar School is committed to establish a dynamic and supportive learning environment in which all students can become caring and considerate citizen of Australia. Western Grammar will strive to uphold the highest standard as set out in the New South Wales Board of Studies curriculum.

The school will foster understanding and respect for themselves, each other and for the diversity of the multicultural communities in Australia. Students will be encouraged to be innovative, creative and problem-solving individuals. Students will strive to achieve their personal best in an ideal educational and Islamic environment. They will be able to take their place with pride in the community and in the world.

## Educational Philosophy

Our educational philosophy is vastly based upon the following inherited belief derived from Quran and Sunnah which is also followed by the great people of human history.

“Read, with the name of GOD, who created you” (Al-Quran)

“Seek Knowledge from the cradles to the graves” Prophet Mohammad (PBUH)

“He, who opens a school door, closes a prison” (Victor Hugo)

“What we want is to see the child in pursuant of knowledge and not the knowledge in pursuant of the Child” (George Bernard Shaw)

“Education is transmission of Civilizations” (Will Durent)

“Who dares to teach must never cease to learn” (John Cotton Dana)

## **Our Mission**

We accomplish to go through our vision by developing an infrastructure with a network of services providers, to provide affordable, accessible and quality education, and operational expertise across Australia. We offer quality teaching and quality management so that, on a holistic level, our contributions benefit the community, the country and the world.

We aim to provide student with a formal education that meets and adheres to the curriculum guidelines provided by BOS to provide children with an education that equips them with moral and social values that best prepares them to be active positive participants in the wider Australian community.

We aim to facilitate an environment in which students develop a positive, outward looking view of the future for themselves, and the wider community. And to establish a place of learning and teaching that is safe and happy both for students and teachers alike, and that best reflects the needs and expectations of the community, and that provide opportunities for the students to enjoy success and recognition and make a useful contribution to the life of fellow mankind.

## **Our Environment**

Western Grammar, recognising that we are a nation of immigrants, cherishes the multi-racial, multi-cultural and multi-faith nature and aspirations of our society and enjoins all its students to cultivate a Universalist outlook on life and to constantly seek to broaden their horizons in tolerance, compassion and co-operation with one another. We seek to prevent discrimination on the grounds of gender, race and religion in the classroom, in the playground, in cultural activities and in school social life. Generally our environment will be based upon the well guided Islamic teaching and ideologies.

## **Our Aim and objectives**

- Provide opportunities for students to develop their potential in a supportive educational environment.
- Provide quality education in the Key Learning Areas as stipulated by the NSW Board of Studies.
- Establish a learning environment which is disciplined yet caring and pleasant.
- Encourage our students to be critical thinkers, creative and problem-solving.
- Encourage teachers to seek professional growth that would enhance their teaching skills and strategies.
- Promote effective communication amongst students, parents and teachers.
- Uphold the Western Grammar Motto and School Rules.
- Promote the achievement of excellence among students.
- Emphasise co-operation and teamwork as essential skills of life.

- Help and encourage positive relationships with parents and the broader community.
- Places priority on basic skills in reading, language and mathematics.
- Provides a balanced educational experience for pupils, covering all areas of the curriculum to recognise and develop different abilities.
- Encourages maximum effort and regard for achievements at all levels.
- Provides opportunities to further develop ICT skills.
- Seeks and encourages a two-way contract between home and school for mutual trust.
- Utilises the extensive potential and interest of the parents for the ultimate benefit of the students.

The School main aim is the development of the whole personality, intellectually, spiritually, socially and physically and the development of individual talents and abilities.

## **Our Quality Policy**

We are highly quality conscious and will take necessary measures to ensure our position as a leader in education in Australia. We are currently in the process of developing infrastructure and educational facilities. We will achieve the target of quality education by:

- Complying with high Australian standards of education up to the client expectations, requirements and satisfaction of governmental departments
- Employing highly capable and qualified staff, Knowing that everyone is a direct contributor towards upholding and maintenance of quality standards
- Putting forth best efforts to achieve our targets while complying to quality standards along with legal and regulatory requirements
- Quality control of operational variations by ongoing continuous improvement by training of teaching staff and governing body to enhance service, skill-set and know-how.
- Operating in a safe and healthy environment to improve employee fulfilment.
- Using best code of conduct and ethics and creating healthy working and educational environment at our educational institutions.
- Keeping the quality at priority for charter building and focusing on the brilliant future of the next generations.
